13. *Any exposed Romex wiring* (this includes Romex that is exposed in cabinets and closets) must be housed in conduit (to include Romex wire supplying the water heater, garbage disposal, and AC).

**Note:** *This is not an all-inclusive list. This is a list of commonly failed items and in no way should be taken as the entirety of the HQS inspection. All units coming onto our program are subject to an HQS inspection at which time any deficiencies will be noted and 30 days will be given to correct such items. No payment will be made by CTCOG/Section 8 Housing Assistance Division until the unit passes an initial inspection.*

**WARNING:** Section 1001 of Title 18 of the U.S. Code makes it a criminal offense to knowingly and willfully falsify, conceal or cover up by any trick a material fact; make any materially false, fictitious or fraudulent statement or representation; or make or use any false writing or document knowing the same to contain any materially false, fictitious or fraudulent statement or entry to any Department or Agency of the U.S. as to any matter within its jurisdiction.
