

## CTCOG-Nolan Creek Flood Protection Study, Q&A

1. In the 4-page limit for Exhibit B, does this limit include resumes?  
**No, it does not include resumes. You may attach resumes in addition to the 4-page limit but please limit resumes to one page (front and back) per person.**
2. Do the cover letter and/or tabs count toward the page limit?  
**A cover letter is allowed (1 page front and back) and will not count toward the 4 page limit; tabs do not count toward the limit either.**
3. The RFQ states that the proposal should be set up as 8.5x11, 8.5x14, or 11x17, with a 4-page limit. Is this 4 single-sided pages, or 4 double-sided pages?  
**Exhibit B is limited to 4 double-sided pages.**
4. Does an 11x17 page count as one page, the same as an 8.5x11 page?  
**All pages, regardless of size, count as one page. We prefer standard text be provided on the 8.5 x 11 size and use the 8.5 x 14 or 11 x 17 for Exhibits, Maps, Tables, Charts, etc. if needed.**
5. Are there any guidelines for Exhibit D – References? Is there any specific information that should be included? Is there a page limit for references?  
**No specific guidelines. Suggest including name, company, contact info, and nature of relationship. Please limit reference sheet to one page front and back.**
