This is one class offered on two separate dates for eight (8) hours of TCOLE Credit for course number 62041.

Instructor: R.P. "Pat" Burnett, Lead Investigator for the SPCA of Texas. Burnett is a retired Terrell P.D. Officer and also retired as the Sheriff of Van Zandt County and has over 37 years of Law Enforcement experience.

Dog calls for Police Officers can create problems for all parties involved. Police Officers in the normal course of their duty will encounter a dog in approximately 1/3 of all their calls. Use of Force in dog calls is a serious problem and Police Officers must be trained in the basic knowledge of how to approach dogs in general.
