Making Great Communities Happen

Central Texas Elected & Appointed Officials Planning Workshop 2016

Presented by American Planning Association Texas Chapter
 Hosted by Central Texas Council of Governments

WORKSHOP DESCRIPTION

The workshop will provide a full day forum specifically tailored to elected and appointed officials. The focus of this workshop is to provide training on the municipal planning process and present the latest issues for city council, board and commission members. Both new and experienced officials will benefit from this workshop. Planning professionals will present and discuss various planning and development related issues across Central Texas.
