James McGill updated the SWAC on April air quality readings from stations in Killeen and Temple. Kendra Coufal informed the group that the scheduled Gatesville and Mills County HHW events had been postponed and would be rescheduled for the Fall or the following fiscal year.

4. Action Item: Approval of March 9, 2020 meeting minutes.

Bill Parry made a motion to approve the March 9, 2020 electronic meeting minutes, seconded by Commissioner Darren Moore; the motion passed unanimously.

5. Action Item: Approval of new voting members.

Commissioner Lewis Bridges was appointed by Judge Randall Hoyer to represent Lampasas County on the SWAC. Justin Brantley was appointed by Mayor Tim Davis to represent the City of Temple on the SWAC.

Bill Parry made a motion to approve the new voting members, seconded by Mark Hyde; the motion passed unanimously.

6. Action Item: Determine use of FY21 Solid Waste funds.

Zoe Rascoe provided the group a brief overview of the different ways that Solid Waste funds have been used in the past in Central Texas and how they have been used in other parts of the State as well. John Trigg asked how much of the \$60,000 goes directly to the disposal of waste and how much goes to hiring a contractor or administrative work. Ms. Rascoe said that the money is apportioned to the applicants as a supplement to funds that they commit themselves to hosting these events.

Bill Parry made a motion for the FY21 Solid Waste funds to be put towards hosting HHW Events in the region, seconded by Commissioner Darren Moore; the motion passed unanimously.

7. Action Item: Approval of call for applications for FY21 HHW events.

Zoe Rascoe stated that the draft Call for Applications for FY21 HHW Events was included in the packet for review. Bill Parry asked if money obligated for FY20 HHW Events that had been postponed would carry over to FY21. Kendra Coufal and Ms. Rascoe both said that those funds would. Ms. Rascoe and Mr. Parry both suggested minor changes to the deadline date and language in the applications.

Bill Parry made a motion to approve the call for Applications for FY21 HHW events with an August 3rd, 2020 deadline, seconded by Justin Brantley; the motion passed unanimously.

8. Discussion and Action Item: Select subcommittee to review the Regional Solid Waste Management Plan (RSWMP).

Zoe Rascoe informed the group that it was time to review and update the 20-year planning document, RSWMP, that guides what the committee does. Ms. Rascoe asked for 5-10 members to volunteer to join the Subcommittee and stated that their focus would be on review and not a complete overhaul. Bill Parry, Bill Gould, Justin Brantley, Kara Escajeda, and Zoe Rascoe all volunteered to join the Subcommittee.

Justin Brantley made a motion to approve a subcommittee comprised of the above mentioned persons and open to adding additional members, seconded by Mark Hyde; the motion passed unanimously.

9. Discussion Item: Surveying the public and gathering data for the RSWMP update.

**Item #5:
FY20-21 SWAC Officer
Elections**

FY20-21 SWAC Officer Elections

Summary:

The SWAC bylaws provide guidelines and requirements for how the committee is to function. According to these bylaws, Officer Elections are to occur every two years at the first meeting after the start of the biennium.

The FY18-19 Officer elections were held in August 2017. Zoe Rascoe, Peter DiLillo, and Duane Herrera were elected as Chair, Vice Chair, and 2nd Vice Chair respectively. Bill Parry was elected Vice Chair in November 2018 to fill the vacated position of Peter DiLillo who had retired.

Due to staff transitions before and during the start of the FY20-21 biennium, Officer Elections were inadvertently omitted from those meeting agendas. Because SWAC is halfway through the current biennium, staff recommends that Zoe Rascoe, Bill Parry, and Duane Herrera continue in their prior Officer positions for the rest of the FY20-21 biennium, with Officer Elections for the next biennium occurring in the spring or summer of 2021.

Action Item: Officer Elections for the FY20-21 biennium.

**Item #6:
Future Updates to SWAC
Bylaws**

Future Update to the SWAC Bylaws

Staff has been reviewing the SWAC bylaws and noticed that some language updates are needed to accurately reflect current and improved SWAC meeting procedures.

Below is a draft list of possible revisions that staff believes would be useful for the SWAC:

- Add language regarding electronic virtual meetings;
- Revise language regarding officer terms and timing of officer elections; and
- Revise language regarding the second Vice Chair position.

Staff recommends that no action be taken on the revision of the SWAC bylaws at this meeting. Staff will prepare highlighted sections of the current Bylaws for the SWAC to review prior to the next meeting, with the opportunity to take action at that meeting.

Action Item: No action needed; for discussion only.

**Item #11:
Scoring and Selection of FY21
HHW Events**

Scoring, Selection, and Allocation of Funds for FY21 HHW Events

The Central Texas Council of Governments received five applications for FY21 HHW Events. The total funding amount available for FY21 events is \$60,000 unless there is additional carryover from FY20 as determined in Agenda Item #9.

The City of Gatesville has already been allocated \$15,000 for FY20 and will use those funds in FY21, leaving \$60,000 remaining for the other four applicants.

SWAC members were sent all FY21 applications, as well as a score sheet to rank each event. At this time, staff would like the Committee to review their score sheets and discuss which entities will host FY21 events and allocate funds to those designated entities.

All event applications and a summary of historical funding is included in meeting packet.

Action Item: Score and Select HHW Events for FY21; Allocate FY20-21 funds to those events.
