James,

Per our conversation after today's meeting, is it possible to add the following Fort Hood contacts to the non-voting member list as Ex-Officio members, in accordance with the SWAC bylaws, Article IV.7?

Requesting two persons for contingency and overall coverage as Fort Hood is a large facility and to coordinate with stakeholders is often a large-than-one-person prospect.

Thank you for considering adding this item to the next agenda for the voting members to decide.

Happy Thursday!
